

## ATLAS Level-1 Trigger - Cost Centres

		<b>CORE Production FK42nnn</b>	<b>CORE PreProd FK41nnn</b>	<b>NonCore Prototypes FK40nnn</b>	<b>NonCore Infrastructure FK40nnn</b>		
CPM		42100	41100	40100			
CMM		42200	41200	40200			
CPROD		42300	41300	40300			
TCM		42400	41400	40400			
Joint	Cables	42510					
	Tilecal Rx	42520	41520	40520			
Computing		42600			40600		
Testing		42700			40700		
Infrastructure		42800			40800		
Installation		42900					
Notes:							
	1	Allocated cost centres in range 40000 to 44990.					
	2	Computing includes all CPUs, workstations & Peripherals.					
		Testing includes all test modules, crates and instrumentation.					
		In both cases, CORE includes items going to CERN only.					
	3	Installation includes all commissioning costs at CERN.
